**RIDE & RELAX 20/20:** 20-minutes of indoor cycling followed by 20-minutes of yoga.

**YOGA AT THE BEACH:** Sun Salutations, balance, standing, seated and core strengthening postures with added fluidity and repetitious movements in the transitions naturally increase full body strength, stamina, and flexibility while calming and steadying the mind. Enjoy the moment with the horizon as a focus point. Yoga at the Beach will be held at Lakeshore Park Thursdays at 9 am. **If it is raining the class will be held at Premiere.**

**BEACH BOOTCAMP:** Beach Bootcamp is an outdoor group exercise class that mixes traditional calisthenic and body weight exercises with interval training and strength training.

**HIPHOP CYCLE:** Hip Hop cycle is a 30-minute high energy, calorie burning, bring your A game type of workout. This class is cycling incorporated with muscle toning movement set to music that you are sure to love.

**BALANCE BALL:** This fun class focuses on stabilizing, balancing and coordination using stability balls and hand weights.

**X-FIT:** If you like CrossFit you will love X-Fit. X-Fit combines a variety of functional movements into a timed workout. Involves pull-ups, squats, push-ups, weightlifting, running, rowing, and more.

**MUSCLE PUMP:** If you like Body Pump you will love Muscle Pump. Get a full body resistance workout in this high energy sculpting and toning class.

**INDOOR CYCLING:** Indoor cycling is an indoor group cycling program that increases cardiovascular fitness. Routines are designed to simulate terrain situations similar to riding a bike outdoors. Some of the movements and positions include hill climbs, sprints and interval training. An instructor uses music, motivation and coaching to lead students through a challenging ride. Indoor cycling will challenge both your aerobic and anaerobic fitness.

**YOGA:** Breathe, relax, and stretch your body with a gentle yoga practice designed to alleviate stress and help relieve common aches and pains. This yoga class is wonderful and accessible for people of all levels, ages, and sizes. Instruction will focus on principles for safe movement and will provide a comfortable atmosphere for self-appreciation and whole-body wellness.

**COME AS YOU ARE YOGA:** This free class for ACMC employees is perfect if you only have a short time to get away. Come as you are. No need to change into workout clothes for this half hour breathing, relaxing and stretching class incorporating yoga inspired movements and techniques. This will give ideas to stretch at your chair at work. Ends with a short massage that will help relax you and be stress free.

**PILATES:** This class focuses on the awareness of the spine, proper breathing, core strength and flexibility. The outcome of Pilates training is a balanced body, flat stomach, balanced legs, and a strong back.

**ZUMBA:** Join the hottest workout that everyone is talking about! Zumba is an easy to learn and fun workout. It combines simple Latin & International rhythms and a relaxed party atmosphere with high energy, motivating music. Zumba uses a variety of styles in its routines, including Cumbia, Merengue, Salsa, Reggaeton, Mambo, Hip Hop, Swing/Jive, Cha-Cha, Flamenco, Belly Dancing, Samba, Tango and Jazz. Zumba provides both an aerobic and anaerobic interval training workout.

**KETTLEBELL:** This class is based on a sequence of exercises to get your heart rate up with controlled movement to build muscular strength and endurance. A Kettlebell is a traditional Russian cast iron weight that resembles a cannonball with a handle. It is the ultimate core workout, while developing your cardiovascular conditioning, power, stability, flexibility, balance, and agility.

**POWER-UP:** Power up your entire body by pumping and flexing upper body and lower body muscles and tightening and strengthening your core – abs, gluts and spine. Participants will perform simple but effective moves using weights, exercise bands and balls.

**SILVER SNEAKERS YOGA:** This class focuses on improving your balance, strength and flexibility in a safe environment. Using a chair, all work is done from either a seated or standing position. Yoga also helps reduce stress and teaches you how to breathe more effectively.

**SILVER SNEAKERS MSROM:** Silver Sneakers MSROM (Muscular Strength, Range of Motion) is designed for participants age 65 and over, this class moves through a variety of exercises designed to increase muscular strength, range of movement and skills required during activities for daily living (ADL). Hand held weights, elastic tubing and a ball are offered for resistance and a chair is used for seated and standing support.

**GROUP EQUIPMENT ORIENTATION:** Receive instruction on how to use the equipment. Whether you are a new member or just need a refresher on how to use the existing equipment, the personal trainers will give you the instruction you need.

**\*KID FIT:** Kit Fit is an hour -long class that incorporates exercise and nutrition in a safe, fun and non-intimidating format. Our program is designed to help give children confidence in their physical abilities, increase their motor skills and give them a head start on understanding the importance of leading a healthy lifestyle. The class is designed for kids 6 to 12 years of age. Pediatrician, Jude Cauwenbergh, DO will be attending the Saturday morning classes whenever possible. Classes are \$3.
